Career Objective

To explore, test, and strengthen my technical skills by working on practical software development and problem-solving tasks. I aim to deepen my understanding of programming concepts, tools, and technologies through hands-on learning and real-world projects while continuously improving my technical competence.

Profile Summary

Motivated Computer Science Engineering graduate with a solid foundation in programming, data structures, and object-oriented concepts. Passionate about learning new technologies and applying problem-solving skills to real-world software solutions.

Projects

Cartoonify Image (Desktop Application)

- Developed a Python-based desktop application that converts normal images into cartoon-style images using image processing techniques.
- Implemented a graphical user interface to upload, preview, cartoonify, and save images.
- **Tools Used:** Python, OpenCV, NumPy, Tkinter, Pillow

Cafe Finder (UI Mock Project)

- Designed a static cafe finder user interface showcasing cafe listings and layouts using front-end technologies.
- **Tools Used:** HTML, CSS

Online Quiz Application

- Built an interactive quiz application with multiple-choice questions and score evaluation logic.
- **Tools Used:** Java

Udemy Data Analysis Project

- Performed data analysis on Udemy course datasets including ETL, data cleaning, and visualization.
- Created interactive dashboards in Excel to analyze subscriber trends, course popularity, pricing, and content categories.
- Prepared a detailed analytical report.
- **Tools Used:** Microsoft Excel, Tableau

Skills

Programming Languages: Java, C++, C
Core Concepts: Data Structures, Algorithms, Object-Oriented Programming (OOP), Operating Systems (Basics), DBMS (Basics)
Tools: Visual Studio Code, Microsoft Office (Word, Excel, PowerPoint)
Personal Skills: Problem Solving, Teamwork, Time Management, Adaptability, Willingness to Learn

Education

Maharishi Dayanand University
B.Tech in Computer Science
CGPA: 6.7/10

Kendriya Vidyalaya
Intermediate — Percentage: 64.5%

Kendriya Vidyalaya
Matriculation (10th) — Percentage: 84.2%

Hobbies

Gardening, Dancing, Listening to Music
